### About Dourado Resources Limited

Dourado Resources Limited is an Australian company with a portfolio of quality gold, copper and uranium exploration assets.

As a gold explorer Dourado is focusing on a high quality package of tenements in the Mid West Region of Western Australia with initial efforts being directed at two particularly prospective areas at Mooloogool and Sabbath and Garden Gully 160km and 20km respectively north of Meekatharra.

Dourado also controls a highly prospective uranium project, comprising a substantial landholding in the Arunta Uranium Province and located just north of the highly prospective Ngalia Basin Region. Ngalia currently hosts three significant, developing uranium deposits and a world class 18 million tonne Rare Earth (REO) mine.

Dourado projects are in reasonably close proximity to established infrastructure including railways, shipping ports, highways, power stations and populated areas. The Company's objective is to provide rapid capital growth through mineral discoveries and development of economic deposits in Australia.
